Young Hearts Connect

Atherosclerosis Across the
Spectrum: From Prevention
to Molecular Profiling

Wednesday, 19.11.2025
3 pm

Scientific Coordination

Dr. Laura Sommerfeld, Hamburg
Dr. Laura Parma, Munich

Geeignet für junge Kardiolog:innen

Dear Young Cardiologists and Basic Scientists,

we are excited to invite you to a seminar on Atherosclerosis, covering the latest developments in diagnosis, research, and prevention.

This event is designed to address both clinicians and basic scientists, offering valuable insights from clinical and molecular perspectives.

Join us for a dynamic exchange of ideas between clinicians and researchers.

Wednesday, 19.11.2025 | 3 pm
